

AGROEXPO UZBEKISTAN 2023: International Exhibition for Agri Machinery, Horticulture, Plant Production & Animal Husbandry Begins

Over 170 leading Uzbek and foreign companies from India, Germany, Italy, Iran, China, Russia, Austria, Great Britain, Hungary, Turkey, Ukraine, France, Estonia etc., are participating in the AGROEXPO Uzbekistan 2023 that kick started on 29th November. The 3-day event will conclude on 1st December 2023.

AGROEXPO Uzbekistan is a global exhibition for agricultural machinery, animal husbandry, horticulture, plant production, milking technology and more. The exchange of knowledge & best practices at the expo helps in contributing to the development of innovative solutions for the agriculture sector. Besides showcasing leading-edge technologies and industry expertise, AGROEXPO provides a platform for networking as well as forging valuable connections across the borders. It also serves as a hub for nurturing global partnerships & creating a conducive environment for collaborative efforts that can have a real impact on the agricultural landscape.

It is worth mentioning that ASSOCHAM, together with the Ministry of Commerce, GoI has organized Indian Pavilion at Uzbekistan AGROEXPO 2023.

Key Features of AGROEXPO Uzbekistan:

- More than 160 + exhibitors
- 16 + Participating Nations
- International Pavilion: Germany, India, Netherlands, Italy, Türkiye, Iran, Georgia etc.
- 5000 + trade visitors
- Supported by Ministry of Investments & Foreign Trade of the Republic of Uzbekistan, Farmer's Union of Uzbekistan, Association of Exporters of Uzbekistan, USAID.
