

BIOFACH INDIA 2025: India's Premier Organic Trade Fair Set to Begin on August 30

The 17th edition of **BIOFACH INDIA**, the country's leading trade fair for the organic industry, is set to take place from **30 August to 1 September 2025** at the **India Expo Mart (IEML), Greater Noida, Delhi-NCR**. This prominent event will once again be co-located with **NATURAL EXPO INDIA** and **MILLETS INDIA**, forming a powerhouse trio that brings together the entire ecosystem of organic, natural and millet-based businesses.

Recognized as the most important business platform for these growing sectors, the three-day event will host manufacturers, FPOs, farmers, suppliers, value-added service providers and other key stakeholders.

Described as a "Networking Extravaganza," the expo will facilitate high-value interactions and strategic partnerships. It is the ideal venue to reconnect with existing clients, forge new alliances and explore future business opportunities.

Beyond networking, the event will also deliver thoughtfully curated conference sessions and expert presentations, where global thought leaders will address key industry challenges, market trends, innovative solutions and growth opportunities.

Entry to the event is free for registered trade visitors aged 18 and above, making it an accessible and attractive destination for industry professionals and businesses aiming to stay ahead in the organic, natural and millet sectors.

BIOFACH INDIA 2025 promises to be an essential stop on the industry calendar where business meets knowledge, innovation and sustainable growth.
