

## Krishi Darshan Expo 2026 to be held from 14th to 16th February 2026 in Hisar

The 14th edition of Krishi Darshan Expo 2026, one of India's most prominent agriculture and horticulture exhibitions, is scheduled to be held from 14th to 16th February 2026 at the Northern Region Farm Machinery Training & Testing Institute (NRFMTTI), under the Ministry of Agriculture and Farmers Welfare, Department of Agriculture Cooperation & Farmers Welfare, Hisar, Haryana. Building on the grand success of its previous thirteen editions, the upcoming expo aims to further strengthen India's agricultural ecosystem by promoting innovation, technology and business collaboration.

### Key Highlights

**Three-day mega exhibition** - Krishi Darshan Expo 2026 will be a three-day mega exhibition offering an ideal platform for industry stakeholders to explore new markets, analyze emerging marketing strategies and establish long-term business relationships.

**300 exhibitors** - With participation from more than 300 exhibitors, the expo will bring together leading manufacturers, suppliers, service providers and technology innovators from across the country under one roof, creating a dynamic environment for mutual business growth.

**Over 1,00,000 visitors expected** - The event is expected to attract over 1,00,000 visitors, including farmers, end users, sarpanch and panchayat members, dealers, distributors, manufacturers, importers, exporters, agri-professionals, policy makers, government officials, Krishi Vigyan Kendra heads, agri-university representatives, industry leaders, media and other key stakeholders.

**B2B, B2C, B2G business meetings & Live demonstrations** - The expo will also feature B2B, B2C and B2G business meetings, live product and machinery demonstrations, branding hoardings, extensive pre- and post-event media coverage and cultural programs spread across all three days.

Additionally, a two-day National Technical Seminar will focus on current challenges and future opportunities in agriculture, encouraging knowledge sharing and policy-level discussions.

With this strong foundation, Krishi Darshan Expo 2026 is poised to play a vital role in driving innovation, collaboration, and sustainable growth in India's agriculture and horticulture sectors.
